ORTHODONTIC EXCELLENCE & TECHNOLOGY™

In-Office Program

October 13-14, 2017 | Mooresville, NC

Hosted by Dr. David Paquette

Two Days That Could Change Everything

You've heard the buzz. You've wondered if it's true. Now you can see for yourself.

Join Dr. David Paquette as he opens his office and offers hands-on training for current *Carriere*® System users and those ready to see what all the excitement is about. It's an unprecedented opportunity to see the system in action, learn how it transformed one of the nation's most successful orthodontic practices, and discover how easy it is to integrate into your own practice. Class size is limited to ensure a personalized experience for all attendees.

Through lecture, interactive hands-on exercises, and over-the-shoulder live patient demonstrations, Dr. Paquette will show you how to effectively integrate today's hottest technologies and clinical applications. Plus, the program includes practical, "how to" modules designed for your team members!

THIS GROUND-BREAKING PROGRAM INCLUDES:

- Comprehensive Diagnostics, Orthodontic Fundamentals and Success Factors, Soft Tissue Finishing
- Lecture-Style Teaching in Dr. Ross Nash's Teaching Facility
- Hands-on, Interactive Training with *Carriere SLX*™ Brackets, *Carriere Motion*™ Appliances and More
- Over-The-Shoulder, Live Patient Clinical Demonstrations
